Mobile Phone Number: 1-(304)-871-0433

**Education**     *Graduated December 21, 2019   West Virginia University   Morgantown, WV*  
*Benjamin M. Statler College of Engineering and Mineral Resources*  
**Degree:** BSc in Computer Science

**Work Experience:**

<b>NASA IV&amp;V</b>	<b>Systems Engineer Associate</b>	<b>March 2020-July 2020</b>
<b>Smoothie King</b>	<b>Shift Leader/Manager</b>	<b>Morgantown , WV '18-'19</b>

**Technical Skills:** [Java](#), Python, C, Microsoft Office, Linux/Unix and Windows, Javascript

**Relevant Class Experience:*****Linear Algebra (Fall 2019)***

- Learned applied and theoretical concepts on real number/complex vector spaces, from linear mappings to eigenvectors. Programming inferential data based on efficient spanning sets

***Cybersecurity (Spring 2019)***

- **Ranked 3rd out of 51 students**
- Understands important concepts ranging from basic encryption algorithms to access control on the network and various operating systems

***Operating System Concepts (Spring 2019)***

- Implemented a multiprogramming operating system from scratch in one semester.
- Understands process, memory, device management, and interrupt driven I/O

***Software Engineering (Fall 2016)***

- Familiar with software verification and analysis models
- Understands Software Development Life Cycle phases

***Digital Logic Design (Fall 2016)***

- **Ranked 9<sup>th</sup> out of 72 students**
- Designed an Intel microprocessor with implementations given for a final project

**Honors & Organizations:**

<b>Filipino Student Association</b>	<b>Vice President</b>	<b>Fall '17 - Fall '19</b>
<b>Association for Computing Machinery</b>		<b>Fall '18 - Fall'19</b>
